**Remarks:** Attached for your review and comments as appropriate is a portion of the HAC S&I Report on the DDO. Your comments should be confined to pointing out errors of fact and any generalized observations on the general thrust of the S&I discussion. Note that there are no formal recommendations or conclusions, as these presumably will be made in the final report. I should emphasize that this is an interim report and detailed in-depth comments are not considered by us to be appropriate at this time. As usual, we have an extremely short deadline and therefore need your response no later than noon, Friday, 24 March 1978.
